

Rittal Merchant (Qr Purchase)

Documentations

Version 1.0.1

How to use?

1. Add it in your root build.gradle at the end of repositories:
maven { url '<https://jitpack.io>' }
2. Add the dependency

```
implementation 'com.github.Rittalsd:RittalMerchant:1.0.1'
```

Call `qrPurchase()` method , This method allows you to Purchase with QR Code , just call it from an Activity or a fragment

```
RittalService.qrPurchase(getApplicationContext(),"your_url")
```
